Dear Parents,

We again have the opportunity to sell Christmas Wreaths from the Reverman Farms in Grand Ledge. The wreaths are 20"/22" in diameter and are constructed from Douglas Fir bough material. The wreaths are not decorated but come with a red velvet bow that is attached by the customer. These are live wreaths and if displayed out of direct sunlight, should last at least 2 months. Many people who ordered these last year said they lasted well into February.

We are selling the wreaths for \$15.00 each, which would be a \$ 4.25 profit for school. Orders will be taken until our Craft Show on Sunday, November 5. The wreaths will be ready for pick-up on Monday, November 20, the week of Thanksgiving.

If you would like a wreath, please sign the order form below and return to school with your payment as soon as possible. THANK YOU!!
