Dear Parents and Guardians,

Pursuant to Article 12 of the United States Conference of Catholic Bishops for the Protection of Children and Young People, we are offering safe environment education and training for children and youth enrolled in our school/religious education program.

We will be using the Praesidium **Called to Protect™ for Youth** program for students in grades 6 - 12. Praesidium experts carefully developed the content and conducted extensive nationwide testing to ensure that each part is informative, well received and effective. "**Called to Protect™ for Youth**," teaches middle school and high school students about boundaries, how to react if someone tries to violate their boundaries, and how to tell their parents if they or their friends have been abused.

The scheduled lesson will be offered at St. Mary Parish. As a parent or guardian you have the right to choose whether your student participates. Please read the description enclosed so you are aware of the nature of the "Called to Protect™ for Youth program." This lesson will most likely be held during our second session of the year, on September, 24th.

If you have questions please call Jordan Spitzley at 989 587-4206. You only need to complete the bottom portion if you decide you do not want your child to participate. Please contact Jordan Spitzley at the parish office if you have any questions. All Opt-out forms must be returned by Wednesday, September 5th.
